15. Multidisciplinary / interdisciplinary

The institution has focused on holistic and multidisciplinary education which will develop all capacities of human beings- intellectual, aesthetic, social, physical, emotional and moral in an integrated manner. In future, this type of multidisciplinary and interdisciplinary programmes shall be the approach of all undergraduate programmes, including those in basic, professional and vocational disciplines. The Institution starts to prepare for NEP plans to focus more on departments like Languages, Literature, Philosophy, , Mathematics, Social sciences, Pure and Applied Science, ICT based learning, Sports for a multidisciplinary, stimulating to holistic grooming of a student. The college offers Open-Distance Learning(NSOU, RBU distance Education, Kalyani University Distance centres) to undergraduate and Post-graduate students. The Institution plans to form 'light but tight' regulatory system which will hold to move towards a multidisciplinary concept of education. Students will be provided opportunities for internship with local industry, business, crafts person etc. In such way they may actively engage with the practical side of their learning and finally improve their employability. 17.Skill development:

The college understands that the students passing out from here should be graduates and simultaneously be skilled. The CBCS enables them to be skill-developed as per the syllabus. In addition to that the college has a Career Counselling Cell offering different courses to develop their skill. These courses are specifically designed as per their courses to make them skilled. The college has NSS and NCC. Both perform different types of activities for students to develop their skills.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

This is one of the strongholds of the college. It offers Indian languages like Sanskrit and Bengali. A large number of students enrol and study these languages. The students have the opportunity to study Master degree in Bengali in regular mode. The teachers of the college deliver their lectures in bilingual mode (English and Bengali or Bengali and Sanskrit). Students studying Bengali receive class teaching in Bengali, students studying Sanskrit receive their lectures in Bengali and Sanskrit, students studying English receive lectures in English only, while others receive lectures in English and Bengali.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The college highly focuses on educating its students in such a way that at the end of their program, they become skilled enough to compete in the real world to get a good job. Keeping this in mind the college set up a Career Counselling Cell and the college itself tried to develop their skill through the Career Counselling Cell. Many students get jobs with the initiatives of the Career Counselling Cell. The courses of the college are designed by the University as per the CBCS curriculum and the course outcomes are guided by the curriculum. Since the college is just an affiliated institution under the University of Kalyani and governed by the Government of West Bengal it does not have any autonomy to design or delete its own curriculum except the certificate and add-on courses

designed by the Career Counselling Cell. The Career Counselling Cell of the college calculates and analyses the attainment of course outcomes through a mechanism that involves direct and indirect methods, framed by the IQAC of the college.

20.Distance education/online education:

During the recent pandemic, the college offered its teachings through online mode. There are three distance learning education centres (Netaji Subhas Open University Study Centre, Rabindra Bharati University Distance Education Centre, and Kalyani University Distance Education Centre) in our college.

Netaji Subhas Open University Study Centre offers undergraduate Honours courses in several subjects and postgraduate Courses in Bengali, History, Political Science, English, Mathematics, Philosophy, Sanskrit etc.

Rabindra Bharati University Distance education centre of our college offers postgraduate Courses in Bengali, History, Political Science, English, Mathematics, Philosophy, Sanskrit etc.

Kalyani University Distance Education Centre of our college offers postgraduate Courses in Bengali, History, Political Science, English and Education.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Sripat Singh College is affiliated to the University of Kalyani and adheres to its curriculum.

- The college (IQAC) prepares an academic calendar as per university norms at the beginning of the year with details of the commencement of classes, and examinations and reflecting on the different academic activities, planned by the college. The Academic Calendar is uploaded in the college website. The syllabus is distributed among the teachers via departmental meetings. Each teacher prepares a detailed month-wise teaching plan.
- Planning and implementation of the curriculum by the college is done most effectively by introducing students and stakeholders first to the larger mission and the wider vision that defines the particular purpose which the college stands for and seeks to promote. The objective of the college is to fulfil what it has envisaged by providing quality education which will enable students to become educated and responsible citizens and realise their position in society as independent people.
- Regular departmental meetings are also held to discuss the extent to which the syllabus has been completed. Teachers note down the topic taught in every class to keep track of the progress of the coverage of the syllabus.
- Besides the conventional (chalk-duster and talk) method, ICT-based teaching learning methods are extensively used. During the pandemic, regular online classes were taken via google classroom/google meet/zoom platform. Class notes, lecture videos, and PPTs are provided to the students through WhatsApp. Some faculties also upload lecture videos on YouTube and provide the link through the same.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The college prepares an Academic Calendar centrally in adherence to that of the University of Kalyani. It includes details of the commencement of classes and examinations and reflecting on the different academic activities, planned by the college. Our first step to uphold a Continuous Internal Evaluation (CIE) system at the institutional level is to constitute different committees to supervise and monitor the evaluation activities of the college. Each committee is headed by a convenor, e.g., Examination Committee, Academic Committee. Each committee is assigned the task of conducting different examinations. During the pandemic situation, many teachers carried out the evaluation online through MCQs and Google forms. On the basis of class response and performance in class tests, remedial classes are arranged for the slow learners. In order to ascertain the compliance of the academic calendar by the departments, an internal academic audit by the IQAC where curricular aspects, as well as extra-curricular activities, are analysed.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Professional ethics -As per the curriculum of the UG course (The University of Kalyani) syllabi of Political Science, English, Bengali, History, Sanskrit Economics, Philosophy, etc. include ethical issues. Human values are included in the UG course of Philosophy as part of ethics. Environment/sustainability is addressed in core, SEC and GE courses in Botany, Geography, Zoology, Economics, Physics, and Chemistry. The syllabi focus on different dimensions of the environment ranging from ecology, biodiversity, sustainable development, renewable energy, and green chemistry. Mandatory Environmental Studies Course is included in the Ability Enhancement Compulsory Course in SEM-I & II of the CBCS curriculum.

Awareness programmes are also initiated by the NSS unit, which carries out different extensive activities for environmental protection and to raise student awareness about their social responsibilities.

Equal opportunities are given to both genders in terms of admissions, employment, training programmes, sports activities etc., so gender issues do not arise. College encourages women faculty and students to participate in events focusing on women empowerment and promoting leadership qualities in women

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The central objective of our teaching-learning process is to make the learner more open-minded, logical and of course a rational human being. The teachers firmly believe that learning extends beyond the four walls of the classroom and that they owe a duty to not just the students but to society at large.

These are: -

i) Interactive learning/ Participative learning:

Objectives : In this process, the endeavour of the teachers is to educate the students via some interactive sessions so that they can understand how to learn through interaction and develop their

critical thinking, problem-solving, and communication skills.

Practice: Fundamental concepts of the subject matter are discussed. Students are encouraged to raise questions. The success of these techniques depends on the mentor-ward system and teacher-ward tutorial system. The teachers interact with the students as their mentors and establish various platforms of communication with the students using email/WhatsApp, Google Classroom/Google Meet/Zoom and their mobile numbers. Students are provided assignments and encouraged to participate in open-book tests, surprise tests, group discussions etc. Departments organise mid-term tests, class tests, student seminars, conferences, quizzes & debates etc. Students are motivated to participate in these programmes. Furthermore, students watch films, prepare documentaries on social issues, make posters based on contemporary social problems etc. This year, due to the pandemic such open-book tests and class tests were not possible. However, each department has arranged internal assessments for the students. A national and international-level webinar was organised. Students also made an awareness video

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

This year, our physical classes could not be conducted. The college has been equipped with various ICT-enabled learning resources (like learning in the virtual classroom, computer laboratory, access to a partially automated library system, provision of subject-specific e-resources, etc.) toward the end goal of promoting a positive teaching-learning attitude amongst students. The teachers have created Google Classrooms, WhatsApp groups, Google Meet links through which they continue teaching-learning process uninterrupted. They have used jam boards, prepared Google slides to present lectures and spreadsheets for keeping records of attendance, etc. E-register has also been created. Some teachers have prepared their own websites where they post study materials for their students. In spite of such initiatives, a large section of students could not reap the benefits of the efforts due to the lack of internet facilities available to the students at home.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

In all the examinations arranged by the College (Class-Tests, Mid-Term Tests, internal assessment under CBCS) students are intimated a few days before the date of the exam. The students are informed about the tests schedule either by a central notice issued by the college authority or by a provisional notice issued by the concerned department via WhatsApp group. However, such process of internal assessment was partially jeopardised due to the closing of the institution. For the successful continuation of this Continuous Internal Evaluation (CIE) Institution organised an e-FDP on e-learning, teaching and evaluation process during the early phase of the session so that teachers could easily get accustomed to new modes of e-learning and learning methods. Each department conducted internal assessments after the completion of the syllabus through Google Forms where point values were given so that students could know their marks and learn from their errors immediately. Some e-assignments were also provided by certain departments.

If the students expressed difficulties in understanding the e-

questions which were set in the Test, the questions, and the topic on which such questions were set were discussed during the lecture by the faculty member.

E-Answer-scripts of internal assessment under CBCS are preserved by the college authority since the university calls for the evaluated script if needed.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The college has separate Examination Committees for each of the six semesters, which are entrusted with conducting the internal and university examinations and ensuring redressal of any exam related grievances.

The answer scripts of internal class tests and assignments are shared with students, and in case corrections in the total of marks or assessment of answers are identified by students, are immediately addressed by the faculty members.

The attendance record, which is part of the internal examination, is notified to students on a monthly basis. Adequate concession is given in attendance of students on medical grounds and for participation in extracurricular activities.

If a student is not able to appear for examination due to medical reason, internal examination is conducted for that student as per norms, provided that he/she submits application with proper documents. In case of university level end-semester examination, any grievance of students is communicated by the college to the University authority. If a student is dissatisfied with his/her marks, he/she can apply for review of his/her answer script as and when required by the University after paying the prescribed fee. The University provides the photocopy of answer sheets to students against Right to Information Act.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Our College offers 21 programmes in UG. The college explicitly states all the programme and course outcomes. The curriculum of all the programmes is framed by IQAC of the college. The outline of the program outcomes is mentioned in the Orientation Programme for the newly admitted students on the day of the commencement of an academic session. Students are encouraged to ask questions and are imbibed in critical thinking so as to enable them to understand and analyse contemporary societal, environmental and cultural problems. Efforts are taken to enhance their communication skills to allow them to exchange ideas, thoughts, and information effectively. Training to work in team are imbibed by encouraging their group participation in various departmental, cultural and extension activities. Students develop leadership qualities and learn to embrace plurality, respect others' views, mediate in disagreements, while maintaining professional and life ethics. Students are made aware to be responsible towards maintaining sustainability in our environment and natural resources so as not to jeopardise the resources available to future generations.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Our college acknowledges its responsibility to foster a holistic development of the students. The NSS, NCC and Women's Cell of the college instil a sense of communal responsibility and sensitize students towards important social issues. Some extension activities carried out are the distribution of chocolates, fruits, story books, etc. among the children admitted at Mahananda Nursing Home on Children's Day, 2021. The NSS Unit took the initiative and teachers and students participated in visiting the nursing home and spent a wonderful time with the ailing children. The NSS celebrated World Environment Day on 5.6.21 on the digital platform. 7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The college is proud to say that, minimal waste is generated in the campus. Waste generated in the campus is segregated into e-waste, liquid waste /organic and solid waste. Different kinds of wastes are labelled according to the disposal rules and are then transported to disposal sites provided by the Jiaganj-Azimganj Municipality.

Solid waste management:

Solid waste, which mainly involves plastic and paper, is collected in separate dustbins and handed over to the Jiaganj-Azimganj Municipality Workers. Separate bins are also kept on all floors for solid waste and liquid/organic waste. Students are asked to dispose of waste only in the designated bins. All classes are provided with dustbins for solid waste disposal. Old newspapers, Books, used water bottles etc. are sold to vendors for recycling. The college has plans to make the campus plastic-free in the near future.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Our college strives towards maintaining an inclusive environment for all stakeholders. The college promotes linguistic, regional, and cultural diversity among the students. Several activities that promote communal harmony are undertaken frequently. So, our College has implemented various measures to make the college an inclusive campus.

Sripat Singh College strictly follows the reservation policies laid out by the Government of India for admissions of students and appointments of teaching and non-teaching staff. The admission committee ensure parity and transparency during the admission process. Students from backward socio-economic spectrum are granted fee concessions in every academic session. The college also promotes several financial assistance/scholarships provided by the Government of India, state government and non-governmental organizations to facilitate access to financial assistance among students.

Mentor-mentee meetings are held regularly and students are encouraged to share their problems, academic or personal-with their mentors. Dedicated teacher-mentors are assigned for outstation students. Teachers adopt bi-lingual mode of teaching, wherever required, to assist students with linguistic challenges. This helps students enhance their academic performance.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Objectives

1. **Community Service:** NSS aims to instill the value of community service and social responsibility among young students. It encourages them to actively participate in addressing the needs and problems of their local communities.
2. **Personality Development:** NSS seeks to foster the overall development of students by providing opportunities for them to develop leadership skills, communication skills, and a sense of teamwork. It helps to build self-confidence and self-discipline.
3. **Social Awareness:** NSS promotes awareness and understanding of social and community issues. It encourages students to critically examine these issues and work towards finding solutions.

Context: During the COVID-19 pandemic, the National Service Scheme (NSS) adapted its activities to respond to the unique challenges posed by the situation while also adhering to safety guidelines. Here are some common activities that NSS volunteers engaged during the pandemic

Activities

1. **Awareness Campaigns:** NSS volunteers played a crucial role in disseminating accurate information about COVID-19, preventive measures, and vaccination through various means, including social media, pamphlets, and community outreach.

2. **Mask Distribution:** Volunteers distributed masks and encouraged community members to wear them to reduce the spread of the virus.
3. **Sanitization Drives:** NSS teams organized sanitization drives in public places, schools, and hospitals to help maintain hygiene and minimize the risk of infection.
4. **Food Distribution:** NSS units organized food distribution drives to help people affected by the pandemic, including daily wage workers and those in need due to lockdowns.

Evidence of Success :

- Many Students got food & Medical treatment.
- Awareness increased among Students & neighborhood.

7.3.2 - Plan of action for the next academic year

1. Plan to enhance the e-content for students: Our dedicated educators will create comprehensive study materials and conduct online video classes through platforms like Google Classroom and YouTube. This will empower students with convenient access to educational resources, breaking the barriers of time and location.
2. Improving students' sense of social responsibility through various programs
3. Will Try to provide more contributions to neighboring economy, society and culture.
4. During the ongoing pandemic, we are deeply concerned about some of our college students experiencing depression and illness due to prolonged home confinement. To address this, we intend to enhance our college's counselling cell to provide additional support to those dealing with depression-related challenges and health issues.
5. In the initial phase of our plan, we will prioritize strengthening the aid fund offered by our Teachers' Council for the benefit of the underprivileged. Additionally, we aim to diversify the allocation of these funds to support a wider range of initiatives.
6. 20 Bedded basic care centers for Covid patients will be initiated with the help of the NGO & Health department, Govt of West Bengal.
7. Webinar & other initiative on Covid awareness
8. Initiative taken to smooth online communication between Students, teachers & other stakeholders.
